JOB OPENING - EXTERNAL POSTING

ENGINEERING TECHNICIAN (PS101089)

DEPARTMENT: ENGINEERING/STORMWATER MANAGEMENT PROGRAM

JOB SUMMARY/ESSENTIAL FUNCTIONS: Under the direction of an engineer, performs technical work related to construction, maintenance and inventory of storm drainage, roads and other infrastructure. Monitors and inspects private development projects for compliance with regulations, standards and approved plans. Assists in project management for the construction of County projects and verifies that proper materials are used and that construction conforms to the contract documents. Assists in the preparation of storm drainage and road system maps, databases and plans. Reviews applications for utility permits and ensures compliance through inspection of work. Interacts with contractors, consultants, developers, utilities, regulatory agency representatives and the general public. Prepares, organizes and maintains engineering/construction field and office data, reports and systems. Assists in implementing the County's MS4 and storm water management program. Performs other duties as assigned.

QUALIFICATIONS:

Associates degree in a related field and four (4) years related Engineering experience.

SCDOT Technician Certification or SCDHEC Erosion Prevention & Sediment Control Inspector certification desired. Candidates who are not certified upon hire will be required to certify within one (1) year of employment, and are required to maintain current certification as a condition of continued employment.

Personal computer experience required including Microsoft Word and Excel. GIS experience preferred.

Valid driver's license for South Carolina. Must have safe driving record.

Departmental testing may be administered during interview.

Completed degree(s) not required but beneficial to position may be partially considered as work experience.

A criminal background check will be completed on selected applicant if a current one (less than 3 years old) is not on file.

PHYSICAL REQUIREMENTS:

While performing the duties of this job, the employee is regularly required to reach with hands and arms. The employee frequently is required to stand; walk; and use hands to handle, feel or operate objects, tools, or controls. The employee is occasionally required to sit; climb or balance; stoop, kneel, crouch, or crawl; and talk and hear. The employee must occasionally lift and/or move up to twenty-five (25) pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus. The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.
